AS WE GATHER: Jesus has not come to calm the world but to lead us into battle. That battle is inside of us—the call to take up the cross, to deny self, and to follow Jesus. He has already won the victory over death and the devil, and now He works to sanctify us in this truth. While this might appear to be surrender, it is the only path to finding our lives and keeping them to everlasting life. We are bearers of this message to the world and accompanied with the promise that Christ is working in us and through us to make the Gospel known. Yet in the midst of this, we are encouraged that the smallest good work will not be overlooked by the Father, and those redeemed by Christ have a heavenly reward awaiting their faithful believing and living.
